

Bidwell Junior High School
Construction Newsletter
March 7, 2015
Issue #2

The **new entrance** to Bidwell Junior High School will be the gate opening between the office and library where the skate racks are attached to the walls. Signs have been designed and ordered for ease of finding re-located main office services

The main office will be open on **Monday, March 23 for business as “usual” in the following new locations:**

- Attendance, Administration, Office Manager: classroom **201**
- Counseling with the Registrar and ASB Clerk: classroom **202**
- The Health Office: classroom **204**
- Math TLC: classroom **401**
- English, Science, History TLC: classrooms **101** and **102**

Following is a schedule of construction work:

- March 17 – 20: Move offices to a **temporary location**
- March 30: Begin **demolition** and **abatement** in vacated main office
- April 22: Begin **Gymnasium**: re-finish flooring, paint, HVAC, lighting, acoustics
- May 20: Begin **Library**: abatement, tech lab, book room, circulation desk, projector, flooring, shelves. There will be NO access to the library after this date.
- June 1: Begin **MPR**: abatement, flooring, paint, sound system, student lunch tables, lighting, bathrooms, and window coverings

The MPR, library, and gymnasium will be ready for the start of school on August 17. Work on the main office will last 6 to 8 months.
