

BIDWELL PIONEERS

DAILY BULLETIN

Monday, October 15, 2018

**Bidwell wishes a Happy Birthday to:
Emily Babler & Sophia Babler**

“ZERO TOLERANCE” ON PROFANITY IS IN EFFECT. We’ve heard many concerns from students, staff, and parents about the cussing problem on campus. If you’re caught cussing, expect to receive a detention. Repeat offenders will receive increased consequences, including parent notification and suspension. Let’s keep our language professional and kind so that we can bring out the best in everyone.

DUE TO EXCESSIVE GARBAGE BEING LEFT AROUND CAMPUS DURING LUNCH, certain areas like the field and obstacle course may become restricted. Please clean up after yourselves and your friends in order to keep your lunch privileges. And please only eat in the covered area, mural area, or cafeteria.

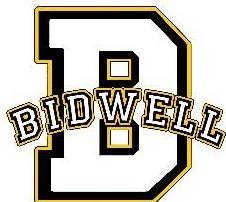

ATTENTION STUDENTS: This Tuesday and Thursday during Primetime, we will have several visitors from the district office in our Library to discuss the recent unannounced code red drill. The meeting on Tuesday is for students that have SECOND lunch only and the meeting on Thursday is for student with FIRST lunch only and for those students that missed the Tuesday meeting.

CONGRATULATIONS to Lilianna Willson and Andres Coronel. They pulled marked lollipops and won CASH! Wednesday is the final turn-in date. Let’s make this final push to our goal so you can rack up the prizes!

ATTENTION STUDENTS: You have 2 more weeks to meet your AR goal. The final goal is due 10/26.
