Appendix F: Use of Resources

The following fiscal practices apply to the use of funds generated through the ConApp:

The state fiscal year is the period from July 1 to June 30. Funds not spent during this period become "carryover funds," to be budgeted for use the following fiscal year. Districts may allow carryover to remain at the school that generated the funds or may aggregate unspent funds from all schools and redistribute them according to the formula appropriate for each program. State law does not limit the amount of carryover funds.

The federal fiscal year is the period from October 1 through September 30. However, districts are allowed to expend federal funds beginning the previous July 1. Title I law limits the amount of funds that may be carried over from the previous fiscal year to 15 percent, except for agencies that receive less than \$50,000. A waiver of this restriction may be requested from the CDE once every three years.

Eighty-five percent of the funds from certain programs must be used for direct educational services at schools. This requirement applies to:

- Economic Impact Aid, State Compensatory Education Program
- Economic Impact Aid, Limited-English-Proficient Program
- Title I, Part A, Improving Basic Programs

Up to 15 percent may be spent for administrative costs (including indirect costs) incurred at the school and district office in support of these programs.

Required District Reservations from the Title I, Part A, Basic Grant Program:

- Parent Involvement (one percent minimum if the LEA receives more than \$500,000 in its Title I, Part A entitlement)
- Professional Development (ten percent for LEAs in PI)
- Program Improvement schools (up to 20 percent of the district allocation to fund public school choice, transportation, and supplemental educational services)
- Private Schools

The district may reserve funds from Title I, Part A for:

- Serving community day school students
- Capital expenses for Title I programs operated at private schools
- Salary differentials
- Preschool
- Summer school
- Before-school, after-school, and extended school-year programs

- Neglected students
- Homeless students
- Assistance to schools

The district may also reserve funds for:

- Indirect costs of administering state and federal programs
- Repayment of disallowed expenditures

Funds received through the ConApp must be used to reach school goals for improving the academic performance of all students to the level of proficiency or better on state standards. In so doing, care must be exercised to ensure that each funding source is used for the purposes for which the funds are allocated, and for eligible students.
