

Registering for On-line Purchases

You will need to create an account to make a purchase for your student.

Go to My Account.

Register for an account.

When registering as a parent, click “no”, “not a student”.

Complete the information to register.

You will receive an activation email and will need to follow the link to complete your registration.

Once registered you will need to add your student(s) to your family account in order to purchase items specifically for that student.
